Certificate of Internship

This is to certify and acknowledge that Mr. Magapu Shanmukha has done a successful Web Development Research internship with the International Centre for Clean Water (ICCW) in the month of December 2022. He made the following contributions during his internship ->

Contributions: -

1. Created the website from scratch using html, css, and javascript for a project simulating the water-health nexus of a rural village.
2. Added many sections to showcase the works carried out by the digital team of ICCW. These sections include about, home, images, activities, and contact us.
3. Optimized the website for slow internet speeds and made it responsive to ensure complete performance on tablets and mobile phones.

We wish him all success in his future endeavors.
